SetuPay — Evidence Pack

Generated 2026-10-13 14:07 · local model: qwen2.5:3b

SetuPay organises and cross-checks documents for human review. It is not legal advice, does not determine legal liability, and does not file complaints. A discrepancy is a review signal, not proof of wrongdoing, and a past due date does not by itself establish that an invoice is unpaid.

Findings for review

Status	Check	Summary
Review required	amount_comparison	Invoice and purchase-order amounts differ by 3,000.00 INR.
Missing	invoice_due_date	Invoice due date could not be extracted.
